PROFESSIONAL SUMMARY

Data professional with a strong foundation in mathematical reasoning and sociological research. Proficient in statistical research and techniques, data visualization tools, and geospatial analysis to uncover and communicate patterns of social inequality. Experienced in both quantitative and qualitative research, survey design, and curriculum development. Skilled in crafting compelling data narratives and interactive storytelling to support equity and community impact. Seeking opportunities to apply analytical and technical expertise in research, policy, or industry settings.

EDUCATION

Pratt Institute

MASTER OF SCIENCE, DATA ANALYTICS AND VISUALIZATION

Aug 2024 - May 2026

New York, NY

- **GPA:** 3.9

- **Achievements:** Advanced Certificate, Spatial Analysis and Design, President, Association for Information Science and Technology

- **Coursework:** Web Development (JavaScript, SQL), Machine Learning (Python), Spatial Statistics, Advanced GIS (ArcGIS Pro), Data Analysis (R), Information Visualization (Tableau, Datawrapper), Programming for Cultural Heritage (Python)

University of Central Florida

BACHELOR OF SCIENCE, SOCIOLOGY

Aug 2022 - Dec 2023

Orlando, FL

- **GPA:** 3.5

Florida State University

COURSEWORK IN PURE MATHEMATICS

Aug 2019 - Dec 2021

Tallahassee, FL

- **GPA:** 3.4

- **Coursework:** Completed majority of upper-division coursework in Pure Mathematics before transferring to complete B.S. in Sociology.

Miami Dade College

ASSOCIATE IN ARTS

Aug 2017 - May 2019

Miami, FL

- **GPA:** 3.7

EMPLOYMENT HISTORY

Florida Student Success Center

GEOSPATIAL DATA ANALYST (SUBCONTRACTOR)

Jun 2025 - Aug 2025

- Performed data cleaning and preparation (e.g., Excel and R) on statewide articulation datasets to ensure accuracy and usability for geospatial analysis.
- Created ArcGIS maps of statewide articulation data that highlighted student access to career and transfer pathways, enabling policymakers and educators to make informed planning decisions

John G. Riley Center and Museum

RESEARCH INTERN

Jan 2022 - Aug 2022

- Researched Tallahassee's Black leaders' impact, presenting findings to enhance historical understanding.
- Analyzed historical data to highlight systemic racism's effects, contributing to public education and equity-focused exhibits.
- Collaborated on research projects, fostering a deeper appreciation of local history and culture.

Sunshine Method Tutoring

TUTOR AND MENTOR

Jan 2019 - May 2019

- Developed and delivered tailored mathematics curriculum for diverse learning styles, resulting in improved test scores and deeper conceptual understanding among struggling students.

Mathnasium

MATH INSTRUCTOR

Sep 2018 - Dec 2019

- Delivered group mathematics lessons to K-12 students, using the Mathnasium curriculum and Excel to track progress, which helped students build foundational skills and prepare for upcoming assessments
- Facilitated mathematical concept mastery through targeted instruction, identifying learning gaps and implementing personalized strategies for students across elementary to high school levels.
